

**Note: Enrollment of 20 students or more is required to hire an assistant or a grader.**

UG Assistant: \$18.00/hour, up to 60 hours/session

An Undergraduate Teaching Assistant is an academically qualified and registered student who assists the supervising faculty member with course delivery. Responsibilities may include assisting the supervising faculty member with the delivery discussion, or laboratory that supplements faculty lectures and by grading assignments or examinations at the direction of the supervising faculty member.

Graduate Grader: \$975/session

A Graduate Grader is an academically qualified graduate student who provides administrative support to the supervising faculty member. Responsibilities generally include the grading of homework, papers, laboratory reports, or examinations at the direction of the supervising faculty member.

Graduate Teaching Assistant: \$1540/session

A Graduate Teaching Assistant is an academically qualified graduate student who assists the supervising faculty member with course delivery. Responsibilities include assisting the supervising faculty member by delivering discussion, laboratory, or quiz sections that supplement faculty lectures and by grading assignments or examinations at the direction of the supervising faculty member.
